COMPANY OVERVIEW

Di Nola Consulting, LLC delivers professional certification training, leadership development, and management consulting, serving two communities under one roof: Service Members, Veterans, and Military Spouses building portable, credentialed careers, and the businesses and organizations that grow by hiring them and sharpening their own teams. Led by **Dr. Gina Di Nola**, a Doctor of Management and **PMI Military Champion**, our work turns lived experience into recognized credentials and disciplined delivery into measurable results.

CORE COMPETENCIES

- Project management certification training (CAPM®, PMP®)
- Live, cohort-based study groups & exam preparation
- Financial counseling readiness (AFC®) pathways
- Leadership development & professional coaching
- Practical AI enablement for small business & teams
- Process & quality improvement (Lean Six Sigma)
- Military-to-civilian career transition training
- Curriculum design & workforce upskilling

DIFFERENTIATORS

- Lived dual fluency**, led by a practitioner who bridges military service and professional management, so training genuinely translates.
- PMI Military Champion**, nationally recognized advocacy for military-connected project managers.
- Built around military life**, cohorts and support designed for deployment schedules, shift work, and PCS moves.
- Dual-audience reach**, a single partner for both military-community workforce development and business capability building.
